

The Clubwall / Selfiewall

Smartphone party photos posted to a projector

Photos and messages shown live via projector and screen

The Clubwall gets party photos and messages from smartphones at the event, club or disco and then shows them to the crowd, live, via video system, projector and screen.

Highlights of the Clubwall / Selfiewall – an overview

- Photos and messages are sent by guests from their smartphones to the Clubwall
- Spontaneous and anonymous: no need to register
- Admin tool for the organiser (photos and messages are reviewed and then posted or deleted)
- Free Clubwall app (messenger) for the partygoers (no running costs)
- Take part in all Clubwalls around the world with the Clubwall messenger (via #hashtag)
- Feedback channel from the organiser (admin tool) to the participants (Clubwall messenger): organiser can send messages to the Clubwall participants

Messenger app for iPhones and Android smartphones
